Lynn Sleet Floristry

Based in Surrey

I am a real people person and enjoy all the fun and laughter that can be achieved through coming together with flowers. I think outside the box and thrive on different floral challenges.

As a master florist I offer flowers for all occasions, including weddings, special celebrations and everyday floral bouquets. My love of flowers started with my mum, who was a WI lady. I have early memories of going to her meetings and singing Jerusalem! Also entering floral competitions and often coming home with first or second prize.

My love of flowers blossomed over the years, preparing designs between family life, for my friends and neighbours. Sadly I lost my husband in 2002 from lung cancer and decided to take the plunge and open my own business.

Blooming Useful Floral Art & Design was born in 2011 and is based in a small studio in Bisley.

I studied at Merrist Wood in Guildford gaining qualifications in Levels 3, 4 and 5 as a Master florist. This enabled me to exhibit at *Hampton Court Flower Show* and become a semi finalist at *RHS Chelsea*.

I am also a qualified floristry teacher and like nothing more than passing on my knowledge to people of all ages, including more mature learners through *Surrey Adult Learning courses*.

I have also been very lucky to have taught a range of Christmas designs at the *Ideal Home Christmas Show* at Olympia for a number of years, together with regular demonstrations taking place at the *Christmas Theatre* within the show.
